## The Roald Dahl Children's Gallery

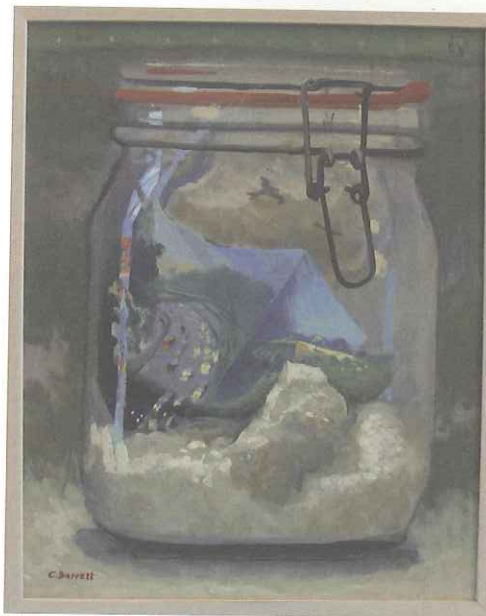

This marvellous and unique children's museum, named after the world's most popular children's author who lived in the nearby village of Great Missenden, introduces the young to museum objects through the spell binding Dahl stories. With its Glass Elevator, Giant Peach and Fantastic Mr Fox's tunnel to crawl through to see creatures who live underground, it is an action packed and highly popular attraction, filled in term time with school parties and with families during the holidays and weekends.

*James above the Giant Peach in the Roald Dahl Gallery*

## The Patrons

The distinct aim of the Patrons is to support the Buckinghamshire Art Gallery. By becoming a Patron you will help fund the major exhibitions in the Art Gallery, purchase works of art for the Museum's collections, and fund conservation of art works for future generations. The Patrons' contribution in helping to underwrite the huge cost of major exhibitions enables the Museum to attract additional funding from the Heritage Lottery Fund and grant giving Charities. The Patrons have contributed to all the main exhibitions mentioned previously. Additionally they have contributed to the cost of conservation work on a sketchbook of watercolours by William Callow prior to the paintings being exhibited, and to several exquisite items of 18th century costume.
